
Policy Name: SATISFACTORY ACADEMIC PROGRESS POLICY

Policy Owner: Director

Policy Code: 134

Policy Effective Date: January 18, 2017

134.1 - Re-establishment of Satisfactory Academic Progress

Students may re-establish satisfactory academic progress, as applicable, by meeting minimum attendance and academic requirements by the end of the warning or probationary period.

134.2 - Non-credit, remedial programs, repetitions

Noncredit, remedial courses, and repetitions do not apply to this institution. Therefore, these items have no effect upon the school's satisfactory academic progress standards.

134.3 - Academic Progress Evaluations

The qualitative element used to determine academic progress is a reasonable system of grades as determined by assigned academic learning. Students are assigned academic learning and a minimum number of practical experiences. Academic learning is evaluated after each unit of study. Practical assignments are evaluated as completed and counted toward course completion only when rated as satisfactory or better. If the performance does not meet satisfactory requirements, it is not counted and the performance must be repeated.

At least two comprehensive practical skills evaluations will be conducted during the course of study. Practical skills are evaluated according to text procedures and set forth in practical skills evaluation criteria adopted by the school. Students must maintain a written grade average of 80% and pass a final written and practical exam prior to graduation. Students must make up failed or missed tests and incomplete assignments. Numerical grades are considered according to the following scale:

100 – 90	A	Excellent
89 – 80	B	Good
79 – 70	C	Satisfactory
69 – 60	D	Unsatisfactory
59 – 50	F	Failing
49 - 0	I	Incomplete
